## Glossary

**Cost of Attendance (COA):** The total amount (not including grants and scholarships) that it will cost you to go to school during the 2022–23 school year. COA includes tuition and fees; housing and meals; and allowances for books, supplies, transportation, loan fees, and dependent care. It also includes miscellaneous and personal expenses, such as an allowance for the rental or purchase of a personal computer; costs related to a disability; and reasonable costs for eligible study-abroad programs. For students attending less than half-time, the COA includes tuition and fees; an allowance for books, supplies, and transportation; and dependent care expenses.

**Grants and Scholarships:** Student aid funds that do not have to be repaid. Grants are often need-based, while scholarships are usually merit-based. Occasionally you might have to pay back part or all of a grant if, for example, you withdraw from school before finishing a semester. If you use a grant or scholarship to cover your living expenses, the amount of your scholarship may be counted as taxable income on your tax return.

**Net Price:** An estimate of the actual cost that a student and his or her family need to pay in a given year to cover education expenses for the student to attend a particular school. Net price is determined by taking the institution's cost of attendance and subtracting any grants and scholarships for which the student may be eligible.

**Non-Federal Private Education Loan:** A private education loan is a loan issued expressly for postsecondary education expenses to a borrower (a loan made directly to the borrower) from a private lender, rather than as a Title IV, HEA loan offered by the Department of Education.

**Tuition Payment Plan:** A tuition payment plan offered by an institution may allow students to spread out their payments.

**VA Education Benefits:** Benefits that help Veterans, service members, and their qualified family members with needs like paying college tuition, finding the right school or training program, and getting career counseling. You can find more information here: <https://www.va.gov/education/>.
