

TUITION AND FEES

2025-2026

www.grts.org

APPLICATION FEE:

All programs require a non refundable application fee at the time of enrollment. Upon enrollment, this amount is applied toward first semester tuition. EMT and Paramedics require a non-refundable \$100 application fee. All other programs require a non-refundable \$50 application fee.

PROGRAM:	Yearly Cost	Clock Hours	Price/Clock Hour
Diesel Services Technology	\$ 7500.00	1080	\$6.94
Advanced Diesel Technology	7500.00	1080	6.94
Auto Service Technology	7500.00	1080	6.94
Collision Technology	7500.00	1080	6.94
Building Trades	7500.00	1080	6.94
Computer Networking Technology	7500.00	1080	6.94
Computer Network Administration	7500.00	1080	6.94
EMT-Basic	1800.00	224	8.04
Paramedics	7500.00	1250	6.00
Automation & Electrical Technology	7500.00	1080	6.94
Industrial Welding	7500.00	1080	6.94
Advanced Welding Technology	7500.00	1080	6.94

TUITION:	1 st Semester	2 nd Semester
Diesel Services Technology	\$ 3750.00	\$ 3750.00
Advanced Diesel Technology	3750.00	3750.00
Auto Service Technology	3750.00	3750.00
Collision Technology	3750.00	3750.00
Building Trades	3750.00	3750.00
Computer Networking Technology	3750.00	3750.00
Computer Network Administration	3750.00	3750.00
EMT-Basic	1800.00	0.00
Paramedics	3750.00	3750.00
Automation & Electrical Technology	3750.00	3750.00
Industrial Welding	3750.00	3750.00
Advanced Welding Technology	3750.00	3750.00

These charges are due during the first week of each semester, unless proof of financial aid acceptance is provided before classes begin. This chart shows current tuition rates. No additional costs are associated with our programs except those listed on the course-related fees page.

Meeting attendance requirements in your GRTS program, and a grade of "C" or above, you can earn FREE college credit by completing certain programs at Grand River Technical School. Ask us about it!

GRAND RIVER TECHNICAL SCHOOL

COURSE RELATED CHARGES

Computer Networking Technology

A+ Certification Test Fees

\$250.00

TOTAL CHARGES: \$250.00

Computer Network Administration

*All certification tests will be at the student's expense.
Please see the instructor for tests and fee schedule.*

Diesel Technology/Advanced Diesel Technology

*Required tools to be purchased by student. Approximate cost range is \$1700 - \$2900.
See Diesel Technology required tool list.*

Building Trades

*Required tools to be purchased by student. Approximate cost range is \$250.
See Building Trades required tool list.*
